

Tee'd Off About Missing Golf? Take a Swing At Our Online Auction!

As many of you have stated in the past, New Visions Toronto and Corbrook have “the best silent auction of any golf tournament.” This year, we're bringing the fun to you -- with our first-ever, fully online silent auction!

We know that this is a busy time of year for everyone so we've made the decision to move the online auction start date to **September 16th**. Between a long weekend and the challenging school year start we wanted to make sure that everyone could enjoy this auction without juggling the rest. Plus we figured a little retail therapy might be in order after everything!

Our online auction will now start **September 16th, 2020** and bidding will close October 15, 2020 at 5 PM EST. The success of our one and only fundraising event of 2020 will be credited directly to you: our supporters. Each year, additional resources are greatly needed to maintain our visions of agency, community inclusion, and advocacy of full citizenship for the people we support. This September, we are relying on you to help us fulfill our mission!

Proceeds from the auction will go towards enhancing our care of individuals with developmental disabilities.

Registration is simple!

1. Click <https://www.accelevents.com/e/corbrooknvt auction> on September 16th
2. On the silent auction page, click the “Bid Now” button for your desired item
3. For your first bid, you will be asked to enter your name, phone number, & email address
4. After submitting contact information, you can submit your desired bid amount
5. You will then receive text confirmation of your bid
6. You will receive instant outbid notifications & will be notified if you have won any items at the end of the auction

Though we may be apart physically, we can come together to achieve our goals. We thank you for your continued support during these unprecedented times, and hope that you will participate as a donor or a shopper. You may not be riding a golf cart, but you can show your support by adding items to your online shopping cart!
